7. 8. Further, the Ministry vide letter dated 20.9.2022 has issued the advisory in continuation to its earlier guidelines dated 26.09.2019 regarding filling up the HoD level posts in Major Port Authorities wherein it is inter-alia stated that -

“In this connection, it is clarified that certain documents viz. obtaining vigilance clearance, APARs of the candidate may take some time due to administrative formalities. In such scenario, the Ports need to forward the application of the officer with the approval of the competent authority (i.e. through proper channel) to the Port which has issued advertisement before due date of submission of applications. Such applications through proper channel (even though without APARs, Vigilance etc.) will be taken into consideration by the Ministry for appointment to HOD level posts. However, for consideration of candidature of the candidate by the Selection Committee, the Ports are required to forward the remaining documents without unnecessary delay.

At various instances, the Ports forward the applications of the candidates in the last hours. Thus, it becomes impossible for the application to reach the Port that issued advertisement before due date of submission. In such cases, the ports are required to forward his application (through proper channel i.e. forwarding of the Port alongwith printout of OAP application) via email so that the candidature of the candidate could be considered for the post. Subsequently, the complete application of the candidate alongwith other documents may be forwarded by the Port by registered Post to the Port that issued advertisement.”

9. Incomplete applications or applications not made following the stated procedure or received after due date will not be considered.

Yours faithfully,

Secretary (I/c)
